

CIRCULAR
(Class KG I to XI)

Dear Parent,

In continuation with the earlier circulars, we are glad to inform you that the school is exploring the possibility of running a school managed transport system for all the students of ISD. This system will be operated purely on a non-profit basis and will be a reliable and secure transport system for our children. The School Transport System will ensure the safety of the children with features like CCTV, GPS Tracking, Stop Arm, Speed Limiter, Rear View Camera, and School Bus Warning Lights. The occupancy of the children will be strictly limited based on the seating capacity and also as per the ROP guidelines.

The probable bus fare **may vary between RO 15/- to RO 35/- depending on the distance** for the School managed transport system.

The bus fare, refundable deposit, advance payment and the routes will be finalized based on the number of responses, locations and financial feasibility.

Kindly indicate your willingness to join the school run transport system through the tear off which has to be submitted to the respective class teacher on or before **Sunday, 16th February 2014.**

Thanks & Regards,

Dr.Sridevi P.Thashnath
Principal
