

CIRCULAR
(Class IV & V)

Dear Parent,

Greetings of the Day!

We are pleased to inform you that our school' Souhridha club', initiated last year, will be formally introduced and opportunities will be made available for all the students of Classes IV and V. Being an environment friendly club, its objectives are to save water, maintain cleanliness of the surroundings, minimize the usage of plastic and make the environment green by growing more plants around. In order to achieve an eco friendly environment in the school and to develop the right attitude and values in all the students, this club is planning to have four committees as mentioned below in the membership form.

If your ward is interested to become a member of the Souhridha Club, kindly tick the committee of his/her choice in the attached membership form and submit the same to the class teacher on or before 22nd May, 2014.

Thanking you,
With Best Regards,

Dr. Sridevi P. Thashnath
Principal
