

**CIRCULAR**  
(Classes KG I to V)

Dear Parent,

Greetings of the Day!

As you are aware, "Reading maketh a full man", here at Indian School Darsait, we would like to explore all the possibilities of developing reading at a very tender age; as it improves one's vocabulary, develops concepts and enhances their personality by relating themselves to the characters and situations in the book.

We are glad to inform you that we are planning to start "Donate A Book" programme where you can donate books to the school library. This will help us to inculcate the value of reading books and enhance the reading skills among our children.

In an effort to provide them a wide array of attractive books and in order to encourage them into reading appropriate literature, we appreciate your kind involvement once again.

A list of books is attached herewith, and you could buy any one of these for your ward. Kindly encourage your child to read this book during the vacation and bring it along when you return to school, after the holidays. After having read the book, your child could donate this book to the class library on the 13<sup>th</sup> of August being 'Donate a Book Day', so that other children as well as yours could have a wide selection of books to choose from.
