

**CIRCULAR**  
(Classes IX to XII)

Dear Parent,

Greetings from ISD!

We are pleased to inform you that ISD had tied up with an international psychometric assessment agency to conduct **Aptitude Tests** for our students from grade IX to XII, in order to provide them systematic advice regarding their higher studies/ career choice. **PSY-TECH Occupational Interest Profile is one of the world's best aptitude tests, with proven scientific credentials.** The test results, with other relevant information, will be used by the school counsellor to provide career counseling to the children, in accordance with their aptitude and personality.

This test is priced at a reduced rate of R.O.16/- per student, and the fee collected will be paid to the international agency. The test is optional, i.e. only those interested parents/ students will need to take the test.

If you are interested, kindly fill in the consent slip and send it to your ward's class teacher or to the School Counsellor. For any further information counsellor can be contacted at [counsellor@isdoman.com](mailto:counsellor@isdoman.com).

Hoping that you will take advantage of this facility.

*Note: The Aptitude test can be taken during any time of your convenience during this academic year.*

Thanks & Regards,

Dr. Sridevi P.Thashnath  
Principal
