

**CIRCULAR**  
**(Class VI to XII)**

Dear Parents,

We take great pleasure in extending to you all a warm welcome to the new academic session 2015-16. As your ward steps into yet another academic year it is important to ensure that he/she enjoys learning as much as we enjoy teaching. Please spend some time to read the following circular which has important information to ensure the safety and happiness of your ward at school.

**UNIFORM**

1. It is compulsory for all the students to be in proper school uniform which is approved or provided by the school. The specifications of material and the pattern as mentioned in the School Diary are to be followed strictly. (Students of classes VI to XII are not allowed to wear PE uniform on days when they write examinations)
2. Wearing uniforms that are unwashed, crumpled, very tight or of smaller size is considered inappropriate. This will incur an entry in the uniform inspection record of the diary.
3. Boys should have short hair. Punk, spikes or any trendy hair cut is not permitted.
4. Girls must tie a plait (for long hair) or pony tail (for short hair). Girls are not allowed to keep their hair open unless very short. Ribbons or hair band if used should be plain white only. No fancy hair clips are permitted.
5. Black shoes with white socks with regular school uniform and white shoes with track pants (supplied by the school) and House T-Shirts for PE must be worn by students.
6. Students should not wear fancy, gold or expensive ornaments to school. The school will not be responsible for the loss of personal belongings of students.

**RESPONSIBILITIES**

7. Students must be punctual to the school. Ensure that your ward reaches school latest by 6.30 am and leaves school not later than 2.00 p.m. Reaching school on time is an important aspect of self-discipline inculcated in school. Late arrival will be recorded in the diary. Please note that the school does not provide any "Stay-back Facilities". Hence your ward should be collected soon after dispersal either by you or the entrusted/authorized driver. Students must have valid reason and/or permission to be in school outside the normal working hours or on holidays.
8. The exam dates are declared for the whole year in the diary. Adequate revision by the school is planned and will be given to all students. The students are expected to develop regular study habits and be prepared well ahead of the exams.
9. Students' participation in extracurricular activities is appreciated. However participation in extracurricular activities or interschool competitions cannot be used as an excuse to be distracted from studies.
10. Students are expected to take the exams and the result seriously. Students found to be indulging in unfair practices during examination will be dealt with very strictly and awarded zero in that subject.
11. Students must speak only in English inside the school premises. This would enable them to gain good command over spoken English.

12. Students must always be polite to all fellow students, teachers and administrative staff. Use of abusive language and harsh behaviour is not permitted.
13. Students of all classes are strictly prohibited from bringing mobile phones, flash drives, I-Pods or any similar gadgets to the school. If found, such items will be confiscated and will not be returned.
14. Students found possessing obscene literature in any form or any material which could be damaging to the moral conduct of students, will be dealt with very severely.
15. Students must take care of the school property and belongings. Any damage to school property caused by the students will have to be made good at the parents' expense.
