

CIRCULAR
(Classes KG I to XII)

Dear Parent,

Greetings of the Day!

As you are aware that the construction of a new sewage pipe line through the wadi across our primary and senior school campus is underway, hence you are hereby requested to ensure that children take extreme care while crossing the wadi.

Our plan for constructing the bridge across the wadi will only be possible after the ongoing Government project is completed. However, we have been informed by the concerned authorities that the access through the wadi might be restricted /closed any time.

We solicit your wholehearted support and cooperation for ensuring the safety of our children.

Thanks & Regards,

Dr. Sridevi P.Thashnath
Principal
