

CIRCULAR
(Class IV & V)

Dear Parent,

Greetings of the Day!

We are pleased to inform you that nominated students will be inducted to the Sauhrida Club on 11th May 2015. This opportunity will be made available to all students of Classes IV and V. Sauhrida Club has the primary objective of creating awareness among students of the environment and the best practices to be followed to conserve nature. In order, to achieve an eco-friendly environment at school and to develop the right attitude and values in all students, we have formed teams to save water, maintain cleanliness of surroundings, minimize usage of plastic and to make the environment green by nurturing plants. The club has been segregated into four committees as mentioned in the membership form attached to provide an opportunity to all students to participate under supervision and proper guidance.

Kindly indicate with a tick mark in the attached membership form, the committee you wish your ward to join as per his/her choice. We request you to kindly submit the same to the class teacher on or before Thursday, 7th May 2015.

Thanks & Regards,

Dr. Sridevi P. Thashnath
