12 buses carrying the name of Indian School Darsait are now plying across the length and breadth of the capital area with utmost responsibility, collecting and dropping off as many 621 students at their door step. The school approved and monitored transport system is an unprecedented initiative taken by the SMC under the guidance of the BOD Chairman Mr. Wilson George, President of SMC, Mr. Abdul Rahim Kassim and the Head of the Transport Committee and member SMC, Mr. Harish Sidhartha. The primary objective of this system is the safety and comfort of the children. It is operated fully under the guidelines given by Muscat Municipality and R.O.P.
