Read the dialogues and choose the most appropriate options to complete the dialogues.

1. Doctor

Take this medicine for a week and you'll start to feel better.

Patient

Doctor

Are you sure? It's the best on the market.

Patient

Yes I am. Can you please prescribe another one?

- What is the ideal dosage for my weight?
- No, it's too early to prescribe another medicine.
- But I've used it before and it did not help at all.
- It looks as if the illness has already been cured.

2. Jake

How did you like the movie you saw last night?

Karen

I can't say it was the best I've ever seen.

Jake

Karen

Certainly not. Do not waste your time.

- Did you go alone or with a friend from work?
- Hadn't you read the reviews before you went to see it?
- What do you mean by saying it depends?
- Then you wouldn't recommend it, would you?

3. Father

What? You crashed the car again?

Son

Father

I'm sure it wasn't. This is the third accident you have had this year.

Son

You're very angry now, dad. We had better talk about this later on.

- I do apologize. I promise it won't happen again.
- Was the car in good condition?
- But it wasn't my fault. You've got to believe me.
- Was it worth the money and time you had wasted?

4. Chuck

Sue

Why do you think so?

Chuck

Whenever we meet, she pretends not to see me.

Sue

I don't think it's because she hasn't got over her anger. She's having a bad time at work nowadays.

- It seems that Martha is still angry with me.
- Martha will never make a good manager.
- I have never seen a smarter woman than Martha.
- One thing that I especially like about Martha is her sincerity.

5. Tom

Mary

Are you kidding? We are in June.

Tom

So what? What's wrong with June?

Mary

The right time to trim your roses is the beginning of winter, when they lose their flowers.

- Are you going to plant those roses in your garden in June or July?
- Can you help me prune the roses in the garden at the weekend?
- I didn't know your brother knew so much about gardening.
- Have you got any idea what the right time is to shorten rose plants?
