AUGUST 2016
ENVIRONMENTAL SCIENCE

Grade: II Div:

Date:.....

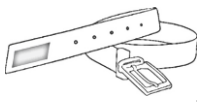

Name:.....

G:.....

Roll No:.....

I Look at the pictures and fill in the blanks:-

1. A  _____ gives us silk.

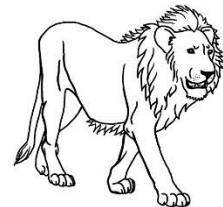

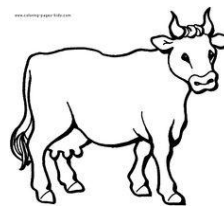

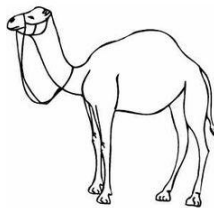

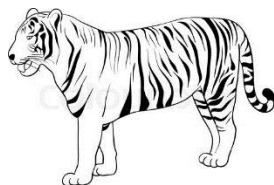

2. We get  _____ from the skin of animals like camels, buffaloes, snakes etc.

3.  _____ gives us honey.

4. A  _____ gives us wool.

5. A  _____ gives us egg.

II Write 'M' for the animals that give us milk in the box given:-

III Read the passage and stick the pictures given in the proper places:-

Athul is my friend. He lives in a village. I used to visit his village during my holidays. When I visited his

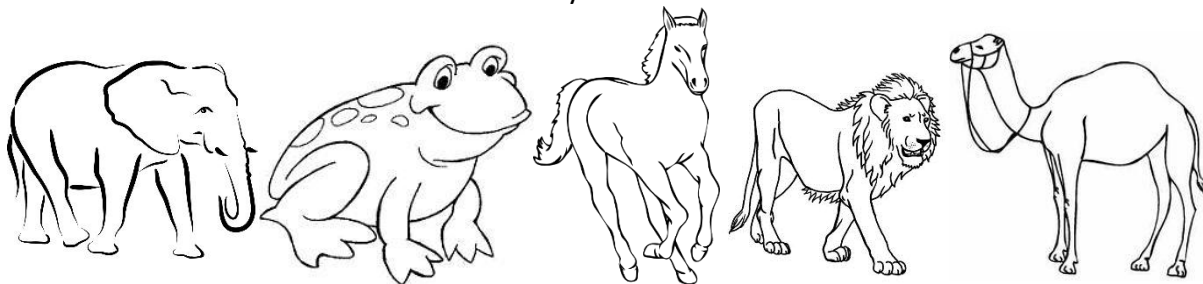

house, I saw _____ ploughing the field. There was a _____ in front of his

house to guard their house. I got scared when it barked at me. There were many _____ in the

coop. His father has a farm where I could see a lot of _____ and goats. They sell milk to

village people. They make curd and butter from the milk.

IV Colour the animals that make our work easy.

V Observe the picture and write a sentence about taking caring of animals.
