“Help her how?” asked Sam.

Sam’s mother said “Hally was brown with spots, with long ears and energetic just like her mother. But she doesn’t seem strong anymore.” She also informed Sam that the vet has advised to give her as much exercise as possible by taking her for a regular walk every day.

“Sure!” said Sam. He decided that he could play fetch with her every day in the yard, because then she could run and run until she was tired. The first day, they only played fetch for about 10 minutes as Hally was tired. But Sam kept playing with her every day. Soon, they could play for an entire half an hour!
