New Town( US) is a beautiful place. It has a very interesting shopping centre. It has a craft village close by where one can buy things straight from the artisans. There are studios, stadiums, cinema halls and monuments for sight seeing. The weather is beautiful here and there are plenty of natural resorts where one can enjoy nature. There are some woodlands too on the outskirts where one can get to see a lot of monkeys. These monkeys are very friendly. They walk along with you, play hide and seek with you and also share your food with you. The most striking feature of this place is that no one is allowed to drive in the city.
