The History Of Chocolate

One of the most popular foods of all time is chocolate. People nowadays eat chocolate in many different forms. We eat chocolate candy, we drink hot and cold chocolate drinks. The chocolate we eat today is made from a lot of different ingredients but the most important ingredient is cocoa bean.

The story of cocoa bean and its long journey to stores and supermarket all over the world started hundred years ago in Mexico .Cocoa trees need hot and humid weather.

The Maya were the first people to eat cocoa beans .They picked cocoa beans from the wild trees and they went on to cultivate their own cocoa trees. Mayan merchants travelled North and introduced cocoa beans to Aztec people. The Aztec could not grow cocoa trees because of the dry climate. When the Aztecs conquered the Maya, they asked for cocoa beans as a tribute.
