Q.I Read the following passage and answer the questions given below:-

Chicago is the third largest city in the United States. Over three million people live in the two hundred twenty five mile area of Chicago. The world's first skyscraper was constructed in Chicago in 1885. Today, some of the world's tallest and most famous skyscrapers are found in the city. Located in the heart of the city is the one hundred ten story Sears Tower, which is among the most famous skyscrapers ever built. Chicago is often called "The Windy City". It is assumed that this is due to the City's weather. But, in the 1990s 11 major U.S. cities outranked Chicago for average annual wind speed.

Fill in the blanks:
