**CIRCULAR
(Class X & XI)**

Dear Parents,

Greetings of the Day!

Due to the repeated requests from Students and Parents regarding the non availability of sufficient time for self study during weekends, it has been decided to extend the school timing for classes XI & XII upto 2.30 pm from the beginning of the next academic year 2017-18.

This is also being introduced to provide sufficient time to the teachers to complete the syllabus smoothly as well as to conduct the revision effectively. Hence, kindly note that the timing for Classes XI & XII will be from 6.45 am to 2.30 pm from next academic year 2017-18.

Thanks & Regards,

**Dr. Sridevi P.Thashnath
Principal**
