14. Surabhi is a student of 10+2 (commerce) Class. She listened attentively and understood the lecture on Consumer Protection Act delivered by the teacher. Her teacher remarked that currently consumers enjoy several rights. In case, goods purchased by him/her causes harm to his/her health and property, there is a provision for compensating him/her. Besides, this Act also has some expectations from the consumers that during the course of his/her purchase he/she should keep certain things in mind. Briefly, provisions of the Act can protect the consumer only when **4**

he/she has complied with certain fundamental things.

The very next day of this lesson, Surabhi purchased a Heater from Bharati Appliances. She made cash payment. But fails to get Cash Memo. While making use of the heater she observed that it was not working properly. She contacted the shopkeeper immediately and told him her problem. Shopkeeper paid no heed to her complaint. Rather he remarked that the good in question was not bought from his shop.

- a. Identify and explain the right and responsibility of the consumer as referred to in the above paragraph.
- b. In addition to the right and responsibility of the consumer identified in point (a) write one more right and responsibility.

Can Surabhi lodge a complaint against the shopkeeper?

- 15.** Beni after completing her MBA, took up the job in a multinational company named ‘Fortio’. The company was paying good salary and perks to its employees. The wages were within the paying capacity of the company that provided the employees a reasonable standard of living. The company also had a good work culture and the behavior of superiors was very good towards their subordinates. Beni was very happy in this organization but due to long working hours she did not have time to cook her meals. She had to depend upon outside food which was deteriorating her health. **4**
- She observed that this problem was faced by many of her colleagues, not only in her company but also in many other companies. This was because of increase in the number of working women and non-availability of hygienic home-cooked food. She identified this as a great opportunity and decided to give up her job to supply packaged home-cooked food to office goers at a reasonable price. At the end of the day she was also distributing the left-over food in the nearby night-shelters.
- a. State the dimensions of business environment being discussed in the above mentioned case.
 - b. Identify any two values being communicated by the company to the society in the above case.
- 16.** Kidzone Ltd. is a school bag manufacturer having a good market share. The sale of the firm increases during the months of April and May when the new academic session begins. This year the production target of the firm was around 50,000 bags. The production target was not achieved within the prescribed time and the revenue of the firm went down. The management has decided to collect feedback from the public and decided to launch school bags with new features in their brand name itself for the next year. They also have decided to reduce price in the initial stage and offered some gifts along with the new product. Some of the functions of marketing are described in the above paragraph. Identify and explain any four functions of marketing. **4**
- 17.** Reehan, a worker, is given a target of assembling two computers per day. Due to his habit of doing things differently, an idea struck him which would not only reduce the assembling time of computers but would also reduce the cost of production of the computers. Instead of appreciating him, Reehan's supervisor ordered him to complete the work as per the methods and techniques decided earlier as nothing could be changed at that stage. **4**
- a. The above paragraph describes one of the limitations of the planning function of

management. Name and explain that limitation.

b. Explain any other three limitations of planning.

- 18.** ABC Ltd. issued prospectus for the subscription of its shares for ₹ 500 crores in 2008. The issue was oversubscribed by 20 times. The company issued shares to all the applicants on pro-rata basis. Later SEBI inspected the prospectus and found some misleading statement about the management of the company in it. SEBI imposed a penalty of ₹ 5 crores and banned its three executive directors for dealing in securities market for three years. Identify the function and its type performed by SEBI in the above case. **4**
- 19.** “They are an essential part of it”. Yes, Supervisors perform exactly the same functions, to a greater or lesser degree, as all other managers in their organization—up to and including the duties of a chief executive. Each specific task, every responsibility, all the various roles that supervisors are called on to perform are carried out by the management. This process is repeated over and over, daily, weekly, and yearly, and consists of various functions. Explain any four such functions. **4**
- 20.** Rahul is a finance manager in Sun India Ltd. He has been assigned a task of preparing financial blue print of the organization’s future operations in order to ensure that enough funds are available for the firm at the right time. Identify the process which has been assigned to Rahul. Also state four points highlighting the importance of this process. **5**
- 21.** XYZ Power Ltd. set up a factory for manufacturing solar lanterns in a remote village as there was no reliable supply of electricity in rural areas. The revenue earned by the company was sufficient to cover the costs and the risks. As the demand of lanterns was increasing day-by-day, the company decided to increase production to generate higher sales. For this, they decided to employ people from a nearby village as very few job opportunities were available in that area. The company also decided to open schools and creches for the children of its employees.
(a) Identify and explain the objectives of management discussed above.
(b) State any two values which the company wanted to communicate to the society. **5**
- 22.** Babitha Ltd is engaged in manufacturing machine components. The target production is 250 units per day. The company had been successfully attaining this target until two months ago. Over the last two months it has been observed that daily production varies between 200-210 units per worker.
Name the function of management and identify the steps in the process of this function which helped in finding out that the actual production of a worker is less than the target set. **5**
- 23.** The IT major GIPRA is terminating the employment of its senior managers, if after evaluating their performance against pre-determined standards if it is found lacking. With this disruption analysts say a large portion of the employees may become irrelevant unless they learn new skills and apply the knowledge to work on emerging technologies. GIPRA is ready to facilitate employee learning, through its in-house centers.
A. Name the function of management performed by GIPRA to maintain a satisfactory work force.
B. Identify and explain the two steps in the process of the function of management discussed **6**

above.

C. Also state any two steps of the function of management discussed, that the firm had to perform before performing the above steps.

- 24.** Answer the following questions **6**
- a. Explain work study in detail
 - b. Explain the principle of Order
 - c. Explain the principle of centralization and decentralization.
- 25.** Atul joins as a Regional Sales Head in the export division of a FMCG (fast moving consumer goods) company. In a departmental meeting, he asks one of his subordinates, Manik to take charge of the company's new office in Dubai. He allocates the work to him and grants the necessary authority. However, within a month by seeking regular feedback on the extent of work accomplished from Manik, Atul realises that Manik is not doing the work as per his expectations. So he takes away the authority delegated to him and re-delegates the work to Prakrit. Due to the time wasted in this switch over, the work at the Dubai office suffers tremendously and the company is not able to meet its desired goals. **6**
- In context of the above case:
- (a) Why is it important to delegate the authority? (3 points)
 - (b) Can the authority granted to a subordinate be taken back and re-delegated to another person?
 - (c) Can Manik be held responsible for not meeting the work related expectations of Atul? Give a suitable reason in support of your answer.
