Dear Parents,

Greetings!

The Board of Directors, Indian Schools in Oman gives emphasis on holistic education which aims at the all-round growth of children, including the healthy development of their mind, emotions and psyche. In order to ensure a serene academic environment, the Board of Directors of Indian Schools in Oman has launched a round- the clock tele- counselling service named "Here4U". This facility is made available to all students of 20 Indian Schools in the Sultanate of Oman. The number for this dedicated service is **90990444**.

This initiative strives to offer free, confidential and non- judgmental support to students in despair due to personal or academic concerns. A team of qualified counsellors with expertise in tele- counselling has been put in charge of promoting and protecting the well-being of every student who makes a call for advice and help and assures them "Here, for you – let's talk". This venture will be a source of consolation and comfort to the students who are under stress and makes them feel relieved in times of desperation. Students are hereby advised to utilize this dedicated service to the fullest and thereby enjoy a stress free academic and healthy personal environment.

Thanks and Regards,

Dr. Sridevi P.Thashnath
Principal
